

9.2_ STATUTORY AUDITORS

9.2.1. STATUTORY AUDITORS

Under French law, the accounts of listed companies are required to be audited by two independent Statutory Auditors. The purpose of this requirement is to provide assurance that the financial statements have been properly prepared and comply with the true and fair view principle.

The Statutory Auditors are appointed by the Annual Shareholders Meeting for a six-year term, based on a recommendation made by the Supervisory Board following a selection process overseen by the Audit Committee. They may be re-appointed for successive terms. They test the fairness of financial statements and carry out all of the statutory audit work required by law. Michelin does not ask them to perform any other engagements that might impair their independence.

The Statutory Auditors of Compagnie Générale des Etablissements Michelin, Michelin's holding Company are:

There are no legal or financial ties of any sort between the two accounting firms or the lead partners. In line with the proposal made by the Supervisory Board based on the Audit Committee's recommendation, the Annual Shareholders Meeting of May 7, 2010 decided to:

- Renew the appointment for six years of PricewaterhouseCoopers Audit, represented by Christian Marcellin, as Statutory Auditor of CGEM, and of Pierre Coll as substitute Auditor.
- Appoint for six years Deloitte & Associés, represented by Dominique Descours, as Statutory Auditor of CGEM, and B.E.A.S. as substitute Auditor.

The Statutory Auditors' term of office will expire at the end of the Annual Shareholders Meeting to be held in 2016 to approve the 2015 accounts.

In 2010, the Group has changed its joint statutory auditors as well as the organization of its subsidiaries' audits. Previously, these audits were performed by most of the worldwide audit firms, whereas in 2010 they were concentrated on the joint statutory audit firms. The 2009 fees table disclosed below is therefore not comparable since it includes the fees of all the firms and not only those of the joint statutory audit firms like in 2010.
